

HYUNDAI MOTOR GROUP INNOVATION CENTER SINGAPORE

A BRIGHTER FUTURE SPRINGS:
EXPLORING INNOVATION AT HMGICS

Max: 18

Step into the future of mobility at the Hyundai Motor Group Innovation Center Singapore (HMGICS)! This exclusive learning journey offers a firsthand look at a revolutionary, human-centric smart factory driven by AI, IoT, and advanced robotics. Participants will explore highly flexible manufacturing systems, witness an automated vertical smart farm transforming urban agriculture, and experience the cutting-edge capabilities of the IONIQ EV line—including an exhilarating ride on the sloped rooftop Skytrack. Join us to discover how these pioneering engineering solutions are reshaping industries and driving a sustainable tomorrow.

Please note: Due to venue capacity, this visit is limited to 18 participants only.
